### **Pal Dog Senior Treatment Gel**

Our new **Senior Gel** is designed for older dogs with achy, stiff muscles. The greaseless, lightweight gel formula includes warming essential oils for tired limbs and calming BACH® flower essences for relaxation. The product is applied using gentle "pet massage" techniques for those special senior moments with your older dog.

**Product Highlights:**

- Easy pet massage techniques include small circles with finger pads, softly gliding over the spine and belly and very gentle kneading. Never massage sensitive areas or open wounds.
- Juno's Garden provides a handy *Guide To Pet Massage* on its website at: [www.paldog.com](http://www.paldog.com).
- Contains a unique blend of BACH® Flower Essences that help to calm animals in fear situations.
- The **Senior Treatment Gel** can be displayed in the **Treatment Gel Counter Display Tray** along with the two existing gels.
