## Pal Dog Oatmeal and Almond Shampoo & Massage Bath

*Coat Enhancing Formula for Brightening and Shine*

Wash away those dingy dog blues with our enhancing **Oatmeal & Almond Shampoo**. Created for light-colored dogs, our brightening formula brings out highlights, sparkle and shine for a whiter, cleaner looking dog. Organic aloe vera and chamomile extract combine with sweet almond oil, enhancing brilliance and shine for a healthy looking coat.

### Product Highlights:

- A unique formula, free of bleach and harsh, chemical dyes used by most brightening shampoos.
- Our formula uses titanium dioxide, a naturally occurring mineral widely used in natural sunscreens and cosmetics because of its white pigment and high refractive index.
- Chamomile extract naturally enhances light-colored coats, while Colloidal Oatmeal and Almond Oil restore manageability and shine.
