Juno's Garden...

botanical solutions to healthy pet care

"Our company was founded on the belief that natural living benefits the health and long life of our pets. Our organic garden-inspired bath, body and wellness products use formulas uniquely designed to restore a healthy balance and renewed energy to your beloved pet."

Juliann Eskite, Founder

Organic ... our organic ingredients are free from pesticides and chemicals that affect the environment and the health of our pets. The use of organically grown ingredients supports a "green" lifestyle and local farmers as well!

Pet-Friendly ... we use "pet-friendly" organic herbs and essential oils, specially selected to nourish dry sensitive skin, prevent hot spots and skin allergies. Our custom designed blends include Calendula, Chamomile and Marshmallow (*for skin health*), Lavender, Eucalyptus and Rosemary (*anti-itch, deodorize, repel fleas*) and Peppermint (*muscle pain and immune support*).

Ingredients ... our products use quality human-grade ingredients and never contain DEA, SLS, phosphates, artificial colors/dyes or paraben based preservatives. We avoid herbs that can be toxic or cause allergies - citrus, clove, penny royal, wormwood and tea-tree. Our Pal Kitty products do not use essential oils with strong terpenes and ketones.

Clean and Green ... our earth-friendly formulas are biodegradable and safe for outdoor use. Our packaging is recyclable, reusable, refillable and all our products are made in the USA.

Juno's Garden popular product lines include:

- Pal Dog, our signature dog bath and skin-care line, featuring products designed for sensitive dogs.
- Pal Kitty, our newest line, introduces organic skin and coat care created especially for cats.
- DogWalkers, features organic living products for people, home and garden.

Pal Dog... clean and "green" organic bath care for dogs

Shampoo & Massage Bath

Our organic shampoos make bath-time fun and relaxing! Calendula, Chamomile, Marshmallow, Sweet Almond and Aloe extracts revitalize dry skin. Beneficial essential oils nourish, replenish moisture and add shine.

- **Calming Lavender** – Calming formula designed for dry, sensitive skin.
- **Rosemary & Mint** – Deodorizing formula, neutralizes doggie smell.

Gallon size: Perfect for Groomers and Pet Washes (Dilution 3:1)

Lavender & Aloe Conditioner & Cream Rinse

The perfect finish to the ultimate bath! Our easy-to-use conditioner contains hydrating organic botanicals of Jojoba, Sunflower and Lavender oils and extracts of Aloe, Calendula and Sweet Almond. Enjoy hassle-free brushing, shiny coat and a refreshingly clean smell.

Freshen-up Conditioning Spray

Keep your Pal Dog smelling fresh all day! Our easy-to-use organic sprays are perfect for dirty weather days, travel or anytime a bathtub isn't handy. Organic extracts of Aloe, Calendula, Chamomile and Oatmeal condition the coat and moisturize dry skin.

- **Daily Formula** – Lavender and Rosemary oils deodorize and revitalize dry skin and coat.
- **Outdoor Formula** – Aromatic Eucalyptus, Lavender, Cedarwood, Citronella oils discourage pests and condition dry skin.

Wellness Blends ... gentle organic skin care

Pal Dog Treatment Gels

Treat your pup's Boo Boo's and Ear Care ailments early! Our new organic Treatment Gels are specially formulated for preventative health care, first-aid and relief from common skin problems that can cause infection. Gels are easy-to-use and mess free!

- **Ear Wash Gel** – Organic ear cleaner fights infection, deodorizes and cleans dirty ears.
- **Boo Boo Gel** – Canine first-aid gel features Arnica, St. John's Wort and Bach Rescue Remedy.

Pal Dog Soothing Spot Spray

Don't let skin flare-ups get the best of your pup! Our intensive skin repair formula is effective relief for hot spots, itching and redness. Powerful organic Calendula, Aloe and Eucalyptus oils and soothing moisturizers, calming irritated, allergy-prone skin.

Soothing Balm

Save your pet's paws from going to the dogs! Our unique balm penetrates quickly, soothing dry itchy paws, painful cuts and hot spots. Perfect for dogs in cold snow or hot desert climates, or active dogs that run/walk on rough blacktop. Ingredients are pet-friendly and safe if licked.
